NOTE:	GAIN A 30 second time bonus for completion of this gear check sheet to a satisfactory standard. Any item that fails scrutiny and is listed outside of the 'Borderline' section will be subject to a 10 second penalty per item. * Borderline items: You are responsible for assessing and approving your equipment safe to use in line with current U.K. industry best practice and L.O.L.E.R 1998 H.S.W.R 1999. Before presentation to the scrutiny judge all climbing equipment should be clearly and individually identifiable. If you are in any doubt about the viability of any item at any time you should withdraw it from use and seek advice from a competent person e.g. Manufacturer or a specialist arboricultural LOLER inspector. If you do have any concerns about the wear on an item prior to the event list it under boarder line items for the Judges assessment and review. You will not be penalised for clearly flagging up items in the borderline area our team are here to educate and help you.								

Please print and use second sheet for any additional items **NOTE: Only three "border line" items can be selected for each climber.**
